

2XU Portarlington Triathlon Report

The 2XU Race 5 Portarlington Triathlon was supported by Bellarine Catchment Network Caring For Our Bays Program. Families and participants at the event were able to learn more about the local environment and the native plants and animals that call the Bellarine home. Our ‘Heroes of the Bay’ species provided a highlight for children and parents alike .

Above: Team Member Charlotte Williamson ran a number of enviro activities during the day

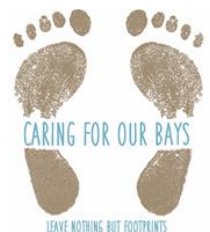

Above: Matt Crawley from Caring For Our Bays program completed the event as the ‘Burrnan Dolphin’ to raise awareness
